

Directions for Sizing/Price List on the next two pages are:

The size/price list on the following pages list the mandatory items you will need to purchase in the event that you make Jasper Jazz.

- 1- Fill out in **PENCIL**
- 2- Write your first & last name at the top of the price list on the page 44.
- 3- Go through and tally each of the items you want/need.
(The quantities are already listed for you on things such as the jacket, bag, specific tops that you need)
 - a. 2 pairs of jazz pants and capris are suggested, but not mandatory & 3 pairs of tights are suggested, but not mandatory. You at least need one pair of each for pants/capris/tights. (Jasper Jazz will wear pants three times a week and capris twice a week for practice/class in case that helps determine your decision with quantities).
- 4- **DO NOT MARK YOUR SIZES**.....b/c *IF* you make Jasper Jazz – you will get this price list handed back to you before the mandatory team fitting/parent meeting on **March 25th at 5pm** - so you can *THEN* mark your sizes and correct the grand total if needed (for example – you may need to add in the extra cost for the XL size, or perhaps you decided you wanted to only go with 1 pair of capris instead of 2). *Hence why I want this done in pencil.*
- 5- You will then add up the grand total of the items/attire and include **\$10.50** for shipping/handling costs to the grand total.
- 6- You don't have to put what you will pay for the deposits – I just need the **GRAND TOTAL** (including the shipping/handling).
- 7- On March 25th – is when you (the parent/guardian) will decide if you want to put the \$200 deposit down or full payment. Either way, payment can be with check, cash or PayPAMS.
 - a. If you pay with **check** – checks made out to JHS with student first/last name & ID #
 - b. If you pay with **cash** – you will receive a receipt
 - c. If you pay via **PayPAMS** – you must register before using this method of payment and let us know that you will be going with this method of payment on this day.
 - i. Instructions on how to do this are listed at the bottom of *page 42* (anticipated expenses)
- 8- If you make Jasper Jazz – I will make a copy of this price list you filled out, hand back to you before March 25th, so you and your parents/guardian can remember/review the amount that was totaled so you can be prepared to pay on March 25th and keep up with how much is due and when, etc.
- 9- Please remember – these items are **MANDATORY!**
- 10- **On March 25th** - You will be responsible for ordering the correct sizes from the sizers provided for you on this day from the vendors. Wear tight fitted clothing to try on these items.
 - o Tops, pants, boots, jackets, etc.
- 11- If you need to replace an item, it will be at your own expense.
- 12- Prices shown are for team order, if you must replace an item, the price *may* change.
- 13- **And PLEASE double check your math for the grand total including the shipping/handling.**

Jasper Jazz Sizing/Price Sheet
