The Jasper Jazz and I appreciate your consideration in participating in a dance number that has become one of the favorites in our show. We hope you will respect the position you will fill and plan to act accordingly. You will be expected to respect **all** school rules during your participation. NOTE: you do *NOT* have to be a good dancer in order to participate.

Please remember this is a family show. Your actions and behavior will be closely monitored during rehearsals and while on stage representing not only Jasper High School, but also the Jasper Jazz. Continuously late to rehearsals may result in dismissal of this performance.

Displays of inappropriate or sexually suggestive dance moves will result in your dismissal of this performance as well as *any* inappropriate behavior during rehearsals. Also, abuse of alcohol at anytime during your participation will result in dismissal of the performance and you will face consequences that are in the student handbook for Jasper High School.

Take time to work with your Jasper Jazz and pay attention during practice. This number is only as fun and successful as you are able to make it.

Again, we appreciate your interest in our show and I look forward to working with you.

Mrs. Morrow – Director

Ms. Conklin – Assistant Director

I, _____ (guy's name), respect and understand what the expectations are of me for this performance. I will abide by **all** school rules and follow the instructions presented by the director of the Jasper Jazz.
